## SUMMARY SHEET

I. Description of Item:

A resolution amending the FY2008-2009 operating budget in the amount of \$2,000,000 for the evacuation and sheltering support of Hurricane Gustav evacuees and this item requires expenditures of federal pass through grant funds under the Federal Emergency Management Agency (FEMA) Disaster Assistance Policy, the Military Department of Tennessee and the Tennessee Emergency Management Agency in the amount of \$2,000,000.

II. Source and Amount of Funding:

The Military Department of Tennessee and the Tennessee Emergency Management Agency provides grant funds in the amount of \$2,000,000 for the provision of pass-through funding from the Federal Emergency Management Agency Disaster Assistance Policy.

III. Contract Items:

Type of Contract – Grant Agreement Between the Military Department of Tennessee, Tennessee Emergency Management Agency and Shelby County.

IV. Additional Relevant Information:

The State of Tennessee will be reimbursed for sheltering Hurricane Gustav evacuees through federally organized evacuations as a Host-State under a Memorandum of Agreement (MOA) with the Federal Emergency Management Agency (FEMA). This requires procedures somewhat different than the method of reimbursement following an Emergency Disaster Declaration. All eligible costs for sheltering must be submitted to TEMA through a County Government or State Agency.

Tennessee entered into a Memorandum of Agreement with FEMA to accept evacuees via any and all modes of organized transportation, as required by situation. This agreement states that Tennessee would make 10 percent of identified sheltering capacity available to support Impact-State evacuees which reflect a maximum of 6,000.

Shelby County entered into a Memorandum of Agreement with TEMA to accept evacuees via any and all modes of organized transportation, as required by situation. This agreement states that Tennessee would make 10 percent of identified sheltering capacity available to support Impact-State evacuees which reflect a maximum of 2,000.

Administration recommends approval of this resolution.
